On December 15, 1999, an *Order Granting Motion to Alter or Amend and 3rd Amended Special Master Report* was filed for the above listed water rights. No Challenges were filed to the *3rd Amended Special Master Report* and the time for filing Challenges has now expired.

Pursuant to I.R.C.P. 53(e)(2) and *SRBA Administrative Order 1*, Section 13f, this Court has reviewed the Findings of Fact and Conclusions of Law contained in the *3rd Amended Special Master Report* and wholly adopts them as its own.

Therefore, IT IS ORDERED that each of the water rights listed above are hereby separately decreed as set forth in the attached *Partial Decrees Pursuant to I.R.C.P. 54(b)*.

IT IS FURTHER ORDERED that this *Consolidated Order for Entry of Partial Decrees* is entered for the purpose of judicial economy so as to not require the Court to enter an individual order for each separate partial decree. Therefore, in the event of an appeal of a specific partial decree, the record on appeal will be limited to the record established in that specific subcase, and not all of the subcases enumerated in this Consolidated Order.
