)
)
**ORDER MODIFYING SPECIAL
MASTER'S REPORT AND ISSUING
PARTIAL DECREE**

For Water Right 34-11509

On December 6, 1996, a *Special Master's Report and Recommendation* was filed for the above water right. No Challenges were filed to the *Special Master's Report and Recommendation* and the time for filing Challenges has now expired.

Pursuant to I.R.C.P. 53(e)(2) and *SRBA Administrative Order 1*, Section 14a, this court has reviewed the Findings of Fact and Conclusions of Law contained in the *Special Master's Report* and **modifies** them as follows:

Element 3, quantity is changed from .03 cfs to .02 cfs. This change is made in accord with the stipulation entered by the United States in the hearing on Basin-Wide Issue 12. This claim is a *de minimis* water right of the United States Forest Service and the diversion rate should reflect a 24-hour period.

Pursuant to I.R.C.P. 53(e)(2) and *SRBA Administrative Order 1*, Section 14a, the court wholly **adopts** the remaining Findings of Fact and Conclusions of Law contained in the *Special Master's Report*.

Therefore, IT IS ORDERED that water right 34-11509 be decreed as set forth in the attached *Partial Decree Pursuant to I.R.C.P. 54(b)*.

DATED February 19, 1997.
