35N 02E 11 NENE

PLACE OF USE: DOMESTIC, same as STOCKWATER use

CONDITIONS/REMARKS:

1. The maximum diversion volume is defined as the maximum allowable volume of water that may be diverted annually from the source under this right. The use of water confirmed by this right is limited to the amount which can actually be beneficially used. The maximum diversion volume may be adjusted to more accurately describe the beneficial use or to implement accepted standards of diversion and use efficiency.
2. This water right is appurtenant to the described place of use.
3. This right is subject to all prior water rights and may be forfeited by five years of non-use.
4. Modifications to or variance from this license must be made within the limits of Section 42-222, Idaho Code, or the applicable Idaho law.
5. Stockwater use is for 12 range cattle; domestic use is for 1 home.

Dear Claimant:

The Department of Water Resources acknowledges receipt of your water right application for permit.

This office is currently in the process of advertising the application in the local county newspaper. The advertisement will be published for two weeks, and a period of ten days following the second publication will be allowed for the submittal of protests.

If the application is protested, you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our state office in about five weeks. State office personnel will conduct a complete review prior to the final processing of the application and will notify you of the outcome of this review. When a permit is issued, you will be sent a copy. A typical processing time for an unprotested application is about eight weeks.

Enclosed please find your receipt for the fee involved in filing this application.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

ROBERT G. HAYNES, P.E.

Re: Appropriation Application

Dear Applicant:

This office is in receipt of your check #92-6 in the amount of \$30.00 and your application to develop a water right by appropriation of water from a Groundwater source, however the application is rather hard to read, so I have taken the liberty of preparing a new application for your signature.

The new application has incorporated the information from the assessors office, your section drawing and your original application. If you sign the application and return it to this office prior to 10/19/1988 your priority date will not be affected.

Before signing the application please read it carefully to insure that I have not misinterpreted any of the information, and that the information listed accurately reflects the intended use.

If you have any questions or if I can be of any assistance please feel free to contact me at this office.

Sincerely,

Tom D. King

RE: Appropriation Application

Dear Applicant:

This office is in receipt of your check #96-6 in the amount of \$30.00 and your application to develop a water right by appropriation of water from a Groundwater source, however the application can not be processed since it is incomplete and/or unclear. I am returning your check and application to allow you to complete or clarify the following items.

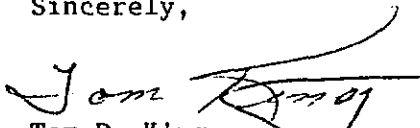

Item #3: The legal description of the point of diversion must be listed by Section, Township and Range, as established by the public land survey. Since you apparently can not find this information please show the point of diversion on the map I have provided, and with your permission I will complete item # 3 for you.

Item #9: You have shown 16 acres of land to be irrigated with a total of $\frac{1}{4}$ acre of land to be irrigated please correct this item.

Item #13: Please indicate the location of the home and if you have 16 acres of land to be irrigated please also outline the land to be irrigated.

If you have any questions or if I can be of any assistance please feel free to contact me at this office.
