Mr. Wayne Waymire:
Rt. 1 Box 20A
Kamiah, Id. 83536

Dear Mr. Waymire:

Since March 25, 1963, one of the criteria for developing a ground water right for irrigation of more than $\frac{1}{2}$ acre of land is to file an Application for Permit with this Department. The enclosed claim, which you submitted, would therefore be invalid and is being returned to you at this time.

I have taken the liberty of making some changes and additions to the Application for Permit which you also submitted and have enclosed it for your approval and a \$30.00 filing fee.

In Item No. 2, I have listed the source as groundwater to coincide with the statutory definition of subterranean water.

In Item Nos. 4 and 5.a., I have reduced the diversion rate for irrigation from 6.4 cfs (2872 gallons per minute) to 0.05 cfs (22 gallons per minute). The maximum rate of diversion for irrigation of five acres or less is 0.03 cfs per acre, unless it can be shown to the satisfaction of the Director of this Department that a larger rate of diversion is necessary.

In Item No. 7, I have listed one year for completion to allow this Department time to meet the statutory time frame for the processing of permits.

In Item No. 8.b., I have placed 1.5 irrigated acres in the space provided for the NENW, Section 18.

In Item No. 11, I have made a sketch showing the point of diversion and place of use within the NENW, Section, T33N, R4E.

We have also listed your well as being within the NENW, Sec. 18, as you requested.

Dear Sir:

I am submitting applications as follows,
"Application for permit and Claim to a Water
Right" for your consideration. If you have any
questions contact me any time.

I am asking your help in getting a
correction on our Well Log & Drillers Report.

Whitcomb's Well Drillers got the land & well
location incorrect. Mr. Whitcomb sent a note to
Boice about a year ago asking to have it
corrected, neither of us received an answer.

I went to the Records Office and
Assessors Office in Grangeville, Id. and determined
our parcel of land is located in the
NE 1/4 - NW 1/4, Section 18. Whitcomb has it
SE 1/4 - SE 1/4 Sec 7, which is incorrect.

I am sending you a copy

of the Will Reports, hoping this
Will help you in getting the
correction.

Thank you.

Sincerely

Mr. Wayne Waymore
