Re: Water Right 84-07108 A84-10393, and A84-10389

Dear Mr. Lemmon:

We are returning the two Notice of Change in Water Right Ownership forms with reference to 84-07108 and A84-10393, together with your check No. 4787 for \$50.00.

With regard to A84-10393, no fee is required for the Change of Ownership because this right is still pending before the Court.

A \$25.00 fee is required for the change in ownership for 84-07108. It would be better if you were to issue a new check in the amount of \$25.00 for the ownership change regarding this water right because of the time involved in processing a refund through the State Treasurer's Office for the difference between the fee and your present check.

Our records indicate that there is another right within the same Township, Range and Section in the name of Caroline C. and Clarence A. Roby. This right may also be affected by some of the documentation you enclosed. We are unable to determine if this is the case. That right number is A84-10389. If this right also transferred to you, it should also be referenced in the change of ownership paperwork. There would be no fee for a change in ownership for this right, either, because it, also, is still pending before the Court.

We have enclosed a Profile Report for your reference for each of the rights you referenced, plus the other right in Roby's name, A84-10389.

If you have any questions, or if we can be of further assistance, please call our regional manager, Robert Haynes.

Sincerely,

Dianne Ball
Administrative Assistant
