Re: 84-4278 and 84-7167

Dear Ms. Dickson:

From your letters, it appears that the water right described by Claim No. 84-4278 stayed with the property when the property passed into your hands.

Permit No. 84-7167, however, is still the personal property of Mrs. Thurmon. It will remain so, until a document which specifically assigns the permit to you is filed with this office. This can be accomplished by having Mrs. Thurmon sign the assignment which I sent to you previously or by your filing with this Department and legal document which specifically grants you ownership of the permit.

If I can be of any further assistance, please contact me at this office.

Sincerely,

Dear Ms. Dickson:

A permit to appropriate public water is personal property so I am enclosing an Assignment of Permit form to allow Mrs. Thurmon to assign Permit No. 84-7167 to you, if she so desires.

Claim No. 84-4278 is another matter. The claim is the sworn statement of Mrs. Thurmon, stating that a water right for irrigation of two acres exists within the NENW, Sec. 24, T36N, R2E. The water right described by the claim remains with the land, unless specifically withheld in the deed or contract by the owner of the property.

If we can be of any further assistance, please contact us at this office.
