Sir:

This is at least the third time I have filed for water rights on my well. I have submitted both form 202 and form 243. Which ever form I submit, ^{it} is the wrong form. What burns me most, is the fact that two letters both signed by Tom King ask for different forms. Each one also adds a bit of information not in the instructions, or in the previous letter.

What I want is water rights on an existing well for domestic and irrigation purposes.

Sincerely,

WR Walker
