Dear Mr. Johnston:

I regret to inform you that by changing the map to show the point of diversion and place of use within the NENW, Item No. 5a is now incorrect. It appears that Item No. 5a, 6a and the map should all agree, but I'm still not certain which 40-acre tract. Item No. 5a shows the NWNE, Item No. 6a and the map show the NENW.

I am returning your Check No. 92-31 in the amount of \$30.00 and your Claim to a Water Right to allow you to clarify this point, since I am not at liberty to make changes on a sworn statement.

If you have any questions, please contact me at this office.

Dear Mr. Johnston:

I regret to inform you that the filing fee for a Claim to a Water Right is \$30.00, so I am returning your Claim and your Check No. 92-31 in the amount of \$20.00.

Before you refile the claim, please change Item Nos. 3 and 4 to cfs since AF is used only when referring to storage of water. The maximum statutory rate of diversion is 0.03 cfs for one acre of irrigation.

Please also check Item No. 6a, since this item indicates that the acre of irrigation is within the NENW, Sec. 8 and the map shows the acre within the NWNE, Sec. 8.

If you have any questions, please contact me at this office.

Sincerely,
