Dear Mr. Sinclair:

We are returning your Check No. 92-123 in the amount of \$30.00 and your Claim for some corrections. We have also taken the liberty of preparing another Claim based on the information you supplied on the first Claim.

On the new Claim we are assuming that your point of diversion from the stream and your place of use both have the same legal description which is NESE Section 11, Township 35N, Range 5E. Items 5.a., 6.a. and the map reflect this change.

Please check over the new Claim for accuracy. If everything is in order please sign before a Notary Public and return to our office with the \$30.00 filing fee.

If you still have any questions, please contact our office or a local Soil Conservation Service office to assist you with the legal descriptions.

Sincerely,

Mr. Wes Sinclair
Rt. 2 Box 36
Weippe, Idaho 83553

Dear Mr. Sinclair:

I am returning your Claim along with your Check No. 92-123 for some corrections.

The first correction needed is the lack of a priority date in Item No. 1. The date when the water was first used for the purposes listed must be entered. The date must be earlier than May 20, 1971, in order to file a Claim.

The other problem arises over the legal description. The map does not reflect the information presented in Items 5.a. and 6.a. Also, the location on Item 5.a. is not the same as in 6.a. This is not necessarily wrong, but it appears that you may have gotten one of the legal descriptions backwards.

If you have any questions, please contact me at this office.

Dear Mr. Sinclair:

We are returning your Check No. 92-123 in the amount of \$30.00 and your Claim for some corrections. We have also taken the liberty of preparing another Claim based on the information you supplied on the first Claim.

On the new Claim we are assuming that your point of diversion from the stream and your place of use both have the same legal description which is NESE Section 11, Township 35N, Range 5E. Items 5.a., 6.a. and the map reflect this change.

Please check over the new Claim for accuracy. If everything is in order please sign before a Notary Public and return to our office with the \$30.00 filing fee.

If you still have any questions, please contact our office or a local Soil Conservation Service office to assist you with the legal descriptions.

Sincerely,

Lawrence D. Beard
