MEMORANDUM

TO: FILE NO. 84-04138

FROM: PAM SKAGGS ^{PS} STATE OFFICE

SUBJECT: TRANSFER 4641

DATE: June 22, 1995

=====

Transfer No. 4641 was filed to change the nature of use under Right No. 84-04138 from stockwater to domestic use. The change in use occurred approximately a year ago.

The original use of water from the source spring was stockwater for 60 range cattle which would require approximately 0.8 afa. The land and cattle were sold and the spring now serves a single domestic home for household use which requires 0.6 afa. The rate of diversion remains the same and the net result is a reduction in the assumed annual diversion volume and comparable consumptive use.

Since this right is a statutory claim, the approval includes a nonconfirmation condition and standard transfer conditions.

MEMORANDUM

DATE: March 9, 1995
TO: Shelley Keen
FROM: Cindy Zimmerman
SUBJECT: Transfer of use on 84-04138

=====

Per telecon today with Mirna Grasser of the Clearwater County Assessor's office and neighbor, the Koerling's have owned the property at the place of use since at least 1949.

A house was using the spring since approximately 1915. The house was torn down and replaced with the current doublewide mobile home.

Per telecon today with Mable Koerling, the old house was torn down in 1972 and they moved into a new house on a different parcel. After her husband's death on 5/3/94, she sold the other property and the stock, retaining this land with the spring in SWSW, S19, T03E. At the end of May 1994, Mrs. Koerling moved the present doublewide mobile home to the old house site and started using the spring for domestic use.

Stock have not watered at this spring since she moved the mobile home in.

Mrs. Koerling wished to transfer the stockwater use claimed on 84-04138 to domestic use.

Mrs. Koerling has asked that we prepare all documentation necessary to accomplish this exchange of use and send it to her for her signature.
