Re: 84-4094 - Guy Knight

Dear Mr. Boomer:

The Claim to a Water Right of Mr. Knight complies with Idaho Code 42-242; it does not, however, confirm that right. Mr. Knight should also file any supportive evidence he may be able to locate. To be of any value to the claim, this evidence must be in a form which is admissable in a court of law.

Since you are acting in behalf of the claimant, there is no fee for the enclosed copy of his Claim No. 84-4094. If you need any assistance, please contact me at this office.

Sincerely,

Dear People:

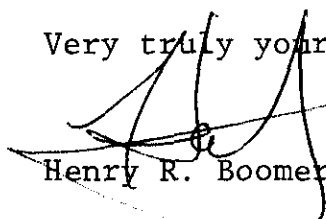

On behalf of Guy Knight, I am inquiring as to the status on his claim to water right, which was filed, we believe, sometime in late 1979.

Mr. Knight wishes to make certain that all necessary steps to establish his water right have been complied with, and would appreciate a photo copy of the claim that we believe to be on file, relating to a spring which is a tributary to an unnamed stream which is a tributary to the Clearwater River, with a priority of approximately 1900.

Would you please send the same to this office, along with any copying charge that is customary in these matters.

Thank you very much.

Very truly yours,

Henry R. Boomer
