Dear Mrs. Stypa

I thought it would be easiest just to send you supplied copies of the land descriptions. The man who filled out my application & claim for me at Grangeville said something to the effect that the maps had been changed. That could have been where the error came in. At any rate, these are the descriptions of the two parcels that are recorded at the courthouse in Grangeville. Both purchases involved title searches by the way, and both pieces are in Idaho County.
