The image shows a full page of graph paper. It features a grid of squares defined by solid black lines. Within each square formed by the solid lines, there are horizontal and vertical dashed lines that divide the square into four smaller quadrants. This creates a pattern of larger squares, each containing four smaller squares separated by dashed lines. The entire page is covered by this grid pattern, with no margins or other markings.

Dear Mrs. Miller:

A Diane Sanderson called me this morning regarding a change in ownership of the two numbers referenced above. I am writing you in the hopes that you are the person for whom she called. I have enclosed the form required to change Water Right #84-4027 into your name, if this is what you want to do. Please see item #8 in the instructions. Since this right is no longer pending in the SRBA, there is a fee to change the ownership. The other number referenced above is a lapsed permit.
