Dear Mr. Aiken:

Re: Permit No. 86-7273

On August 6, 1990, the Department received the proof of beneficial use form for the above-referenced permit long with a license examination fee of \$50. Wildlife storage is similar to stockwater use and no fee is required. The department will refund the fee.

The next step is for the department to conduct the field inspection to confirm and determine the extent of beneficial use. I cannot tell just when the representative from our Northern Regional office will conduct the exam, but he will try to contact you or your representative prior to being in the area.

If you have any questions, please contact me.
