Memorandum

To: S. Curtis
From: D. Shaff 
Date: October 10, 2001
Subject: Renumber 85-11721

This right with a partial decree issued on July 19, 2000, was recently discovered to lie in Basin 86. I think you will find documents in the file to support this finding. The record has been copied into Water Rights to allow performing the necessary maintenance to make the correct cataloging of this water right. I regret the error survived through the partial decree. Please send correspondence to the water right holder notifying them of the number change. Thanks.
