Dear Mrs. Vanou:

I regret to inform you that the filing fee for an Application for Permit was increased to \$30.00 on July 1, 1980. We are therefore returning your Check No. 92-124 in the amount of \$20.00 and your Application for Permit.

Before refiling, you should check Item No. 4 and Item No. 5.1. The amount of water you have applied for seems a little excessive. The Department may take the position that you could not put 90 gallons per minute to a beneficial use. Normal usage would probably be closer to 18 gallons per minute or 0.04 cfs.

If you have any questions, please contact me at this office.

Sincerely,
