Section 42-225a, Idaho Code
AMENDED
CLAIM TO A WATER RIGHT

Under the provisions of Section 42-225a, Idaho Code, a person may file a claim to a right to use water which has been established by diversion and application to beneficial use. The filing of this claim does not confirm the water right but will serve for information purposes only. It may, however, become the basis for future adjudication of the water right by the Court.

Notice is hereby given that Lloyd L. Hall (name of claimant)
of Box 707, Bovill, Idaho 83806, claims a right to the diversion and beneficial use of
(mailing address)
the public water of the State of Idaho

The extent and nature of said claim is as follows:

- (1) Describe source of water: (name of stream, lake, spring, etc., or ground water) Ground water
, tributary to ,
(2) Describe the purpose for which the water has been used and the time during the year when you have used the right claimed:
Amount 20 g.p.m. Use Domestic Period of Use: From Jan. 1 To Dec. 31
Amount Use Period of Use: From To
Amount Use Period of Use: From To
(cfs, gpm or a/f) (dom., irri., stock, etc.) (both dates inclusive)

(3) Total quantity of water claimed: cubic feet per second, or acre feet
per annum, and/or 20 gallons per minute.

(4) Priority claimed: (the date water was first applied to beneficial use) 1913

A claim is not acceptable on a ground-water source with a priority later than March 25, 1963 or on a surface-water source with a priority later than May 20, 1971. An exception to this rule is that a claim may be filed on domestic use from a ground-water source.

(5) A) Point of diversion: (give location of point where water is diverted from its source)
SE ¼ NW ¼, Sec. 21 Twp. 40N Rge. 1W B. M. County of Latah
Additional points of diversion:

B) Describe means of diversion of water: (pump and pipeline, well, diversion dam, reservoir, length of ditch and field, etc.) Give sizes and capacities; be as specific as possible. Pump and well.

(6) A) Describe location of use by listing number of irrigated acres within each 40-acre tract in appropriate box. If use is not for irrigation, place an "X" in appropriate box to show location.

Gentlemen :-

In regard to claim to a water right
no 86-4033 filed by Lloyd E Hall,
Bovill, Idaho and notice appearing in
The Idahoian 7/31/75, I wish to inform
you that one of the places you designated
SE 1/4 & SE 1/4 Sec 21 T 40 N R 1 W B M
is land that belongs in our family and
in no way ownership or otherwise
does Mr Hall have anything to do
with it.

I gave this property in Dec of 1973
to three grandchildren who live in
Calif. There are no liens, mortgages
or incumbrances against the
property and taxes are paid to date.

This 40 acres along with the rest
of our family property in Sec 21 +
adjoining 22 + 15 is under lease
for farming purposes to Richard Drury
Idaho, Ida

and he & I negotiated the lease.

I am presuming that this description of property is merely a typographical error, but even so it needs to be corrected.

I am therefore informing you
of my opposition to the granting of
this water claim.

Sincerely

Mrs. R. H. Hamilton

Dear Mr. Hall:

The Department of Water Resources has completed the processing of your claim to a water right, and no further action is authorized under Section 42-225a and 42-225b, Idaho Code. Your claim will be retained in our files and will be available at any time for use by you or the court.

As you are aware, the filing of a claim does not, in itself, guarantee you a water right; it only records and preserves the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included in your claim file, you may have that information or evidence added at any time. Please refer to your claim number when corresponding with our office.

We are enclosing, for your records, a copy of your claim. If you have any questions, or if we may be of any further assistance, please contact us.

Dear Mr. Bowles:

We have received your correspondence concerning the above referenced Claim to a Water Right. The following is a quote from the provisions under which this claim has been filed (Section 42-225b of the Idaho Code):

"At any time after filing a claim under the provisions of this section, any person who disagrees that a right has been established as set forth in said claim may file an exception thereto in duplicate, in affidavit form accompanied by such proof as said person deems appropriate. An exception filed shall be made a part of the file of the claim in the Department of Water Resources and shall be considered the same as other evidence in said file. A copy of an exception filed shall be forwarded to the claimant by the Department of Water Resources. Such claims may be corrected by the claimant only by filing of an amended claim in the same form as the original which shall be recorded and numbered by the department the same as the original and for which no additional filing fee shall be required."

Only the above action has been contemplated by the Idaho Legislature and we are not authorized to hold hearings or evaluate for confirmation or final censorship of the described rights.

We have been informed by Mr. Hall that the place of use listed on the Claim to a Water Right is incorrect. He is in the process of filing an Amended Claim to correct this error.
