Dear Mr. and Mrs. Hites:

The Department of Water Resources has completed the processing of your claim to a water right, and no further action is authorized under Section 42-225a and 42-225b, Idaho Code. Your claim will be retained in our files and will be available at any time for use by you or the court.

As you are aware, the filing of a claim does not, in itself, guarantee you a water right; it only records and preserves the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included in your claim file, you may have that information or evidence added at any time. Please refer to your claim number when corresponding with our office.

We are enclosing, for your records, a copy of your claim. If you have any questions, or if we may be of any further assistance, feel free to contact us.

Very truly yours,

FRED EISENBARTH

Dear Mr. Hites:

We are returning your Claim to a Water Right to obtain additional information. We will need to know the Township, Range, Section, and 40-acre tract within the section that your well is located. You can obtain this information from the County Court-house. We will also need a description of your water system (pump, motor, h.p., etc.).

After completing these items, please return the Claim to our office along with the \$10 filing fee, and we shall begin its processing.

Very truly yours,

Dear Mr. Hites:

Enclosed is a Claim to a Water Right form with which you may record your existing water right with our Department. Please complete this form, have your signature notarized, and return it to our office along with the \$10 filing fee.

Concerning the drilling date of the well, if you could send us the legal description of the location of the well, perhaps we would have record of when the well was drilled.

If you have any questions in this matter, feel free to contact our office.

Dear Sir,

Could you please send me an
application form on water rights for
a well.

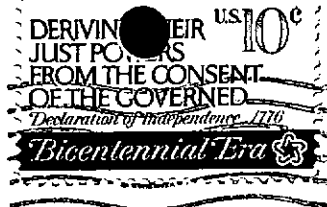

I purchased the land in 1964 and
the original owner is deceased, how
do I go about getting the actual
drilling data etc.

Thank you
