Dear "Mr. Onstott:

This acknowledges the Notice of Proof of Completion of Works and Application of Water to Beneficial Use under Permit No. 27853. The proofs are to be made at 2:00 o'clock P.M., on the 31st day of March, 1961, ~~1960~~ before Robert E. Magnuson, Kendrick, Idaho, Notary Public.

As of this date we have mailed the Notice to the Kendrick Gazette with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then mail the affidavit of publication and statement of costs to you.

It is important that the enclosed depositions be executed by you and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the place, on the date, and at the time and before the Notary, as advertised. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, the Notary's seal has been placed on each and that all depositions, (holder and two witnesses) are being returned. Also be sure to enclose the Affidavit of Publication.

DEPARTMENT OF RECLAMATIONRE: Permit No. 27853Date Jan 3, 1961Manning A. Onstott
Kendrick, Idaho

Dear Sir:

Under the terms of your Permit No. 27853 you are required to make proofs of completion of works and application of water to beneficial use on or before March 31, 1961.

We enclose Form 6 to be filled in and sworn to by you before a Notary Public, and returned to this department on or before the above date, for making proof of completion under the permit. Upon receipt of this affidavit, provided same satisfactorily shows the completion of works substantially in accordance with the terms of the permit, together with a fee of \$5.00, a Certificate of Completion of Works will be issued to you.

We enclose Form 10, in duplicate, which is to be filled in and returned to this department at least forty (40) days before the above mentioned date or before the time you intend to make proof. This form, in duplicate, is to include the time of day, the date (allowing for four weeks publication), the name of the town, the address of the Notary Public before whom you will appear to make the depositions of proof (this may be at any place that is convenient for you and your two witnesses), the quantity of water, for what purpose it is used, the point or points of diversion and the location of use or lands which are irrigated--by 40-acre legal land description. Descriptions should be taken from your Permit, including any amendments thereto, as recorded in this department. If changes have been made and no amendments are on record, we advise that you request a form for this purpose before your Notice is published.

Also enclosed is Form 11, which is the authorization for us to have the Notice published in the designated county newspaper, at your expense. This is to be returned with Forms 10.

At the time we send the notice to the newspaper will will send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set and at the place named, before the Notary Public, as advertised in the publication notice.
