Dear Mrs. King;

I have before me a letter from your office, dated
March 3, 1983, in which you acknowledge receipt
of my statement of completion of water development
and use for the above-referenced permit.

You state further that, "Before a license can be issued,
a field examination must be made by a repres-
entative of this Department."

That man did come and make the examination
on June 21, 1984. I was of the impression that
he found everything in order, and that I would
be hearing from your department soon. I was
of the impression that I should expect a license
would be sent to me.

According to my records, I have not had
any word from your office since that examiner
was here June 21, 1984.

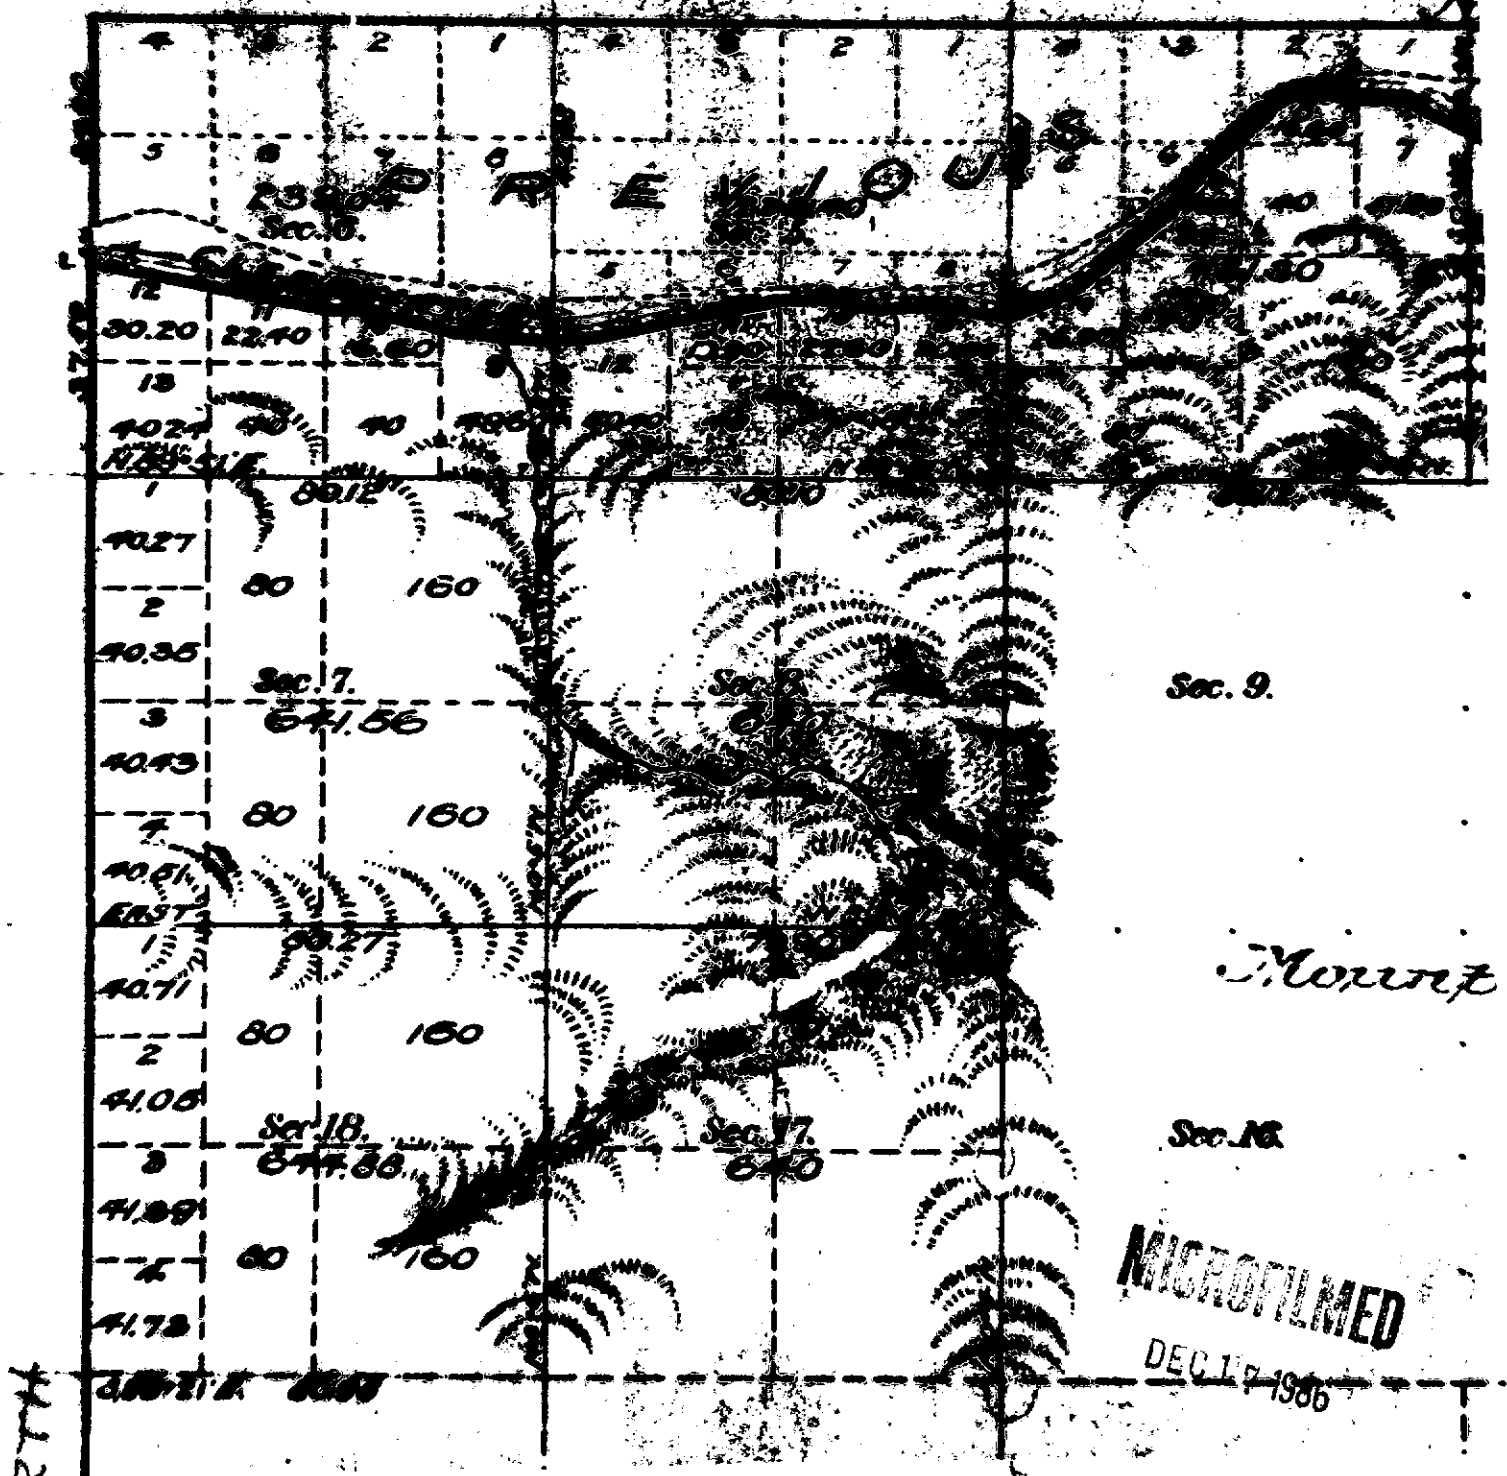

Will you please respond to my plea for
information. Thank you

Sincerely,
