RE: 81-7064

Dear Mr. Crawford:

We acknowledge receipt of your statement of completion of water development and use for the above-referenced permit.

Before a license can be issued, a field examination must be made by a representative of this Department. We do not know at this time when he will be able to conduct the examination, however, the examiner will try to contact you at the time he makes the examination so that you may show him the system. If you will not be available to show the system, please provide this office with the name and address of someone who will be able to do so. Your permit will remain valid until the examination is made.

If you have any questions concerning the field examination, please contact this office. Please be sure to use the above-referenced permit number in in all future correspondence concerning this examination.

Very truly yours,

Dear Mr. Crawford:

Before attempting to license Permit No. 81-7064, the permit should be in your name. Please complete the enclosed assignment of permit, have Mr. Andrews sign it before a Notary Public and return it to this office as soon as possible.

In May of 1982, we will send by registered mail a form to the record owner of Permit No. 81-7064. This form must be filled out, signed and returned by the person owning Permit No. 81-7064. This form is a statement of completion of works, and a request for a licensing examination by this Department.

If you have any questions, please contact me at this office.

Sincerely,

TOM D. KING
Senior Water Resource Agent

Dear Mr. Andrews:

Enclosed is your Receipt No. 16923 in the amount of \$20.00 for filing the Application for Permit in the name of Mark Melville Andrews. Before the Department can approve your application, however, you should clarify the nature of use of the water.

Are you planning to use the water for stock? If so, how much water will be diverted for this purpose?

If the Department has not heard from you by May 11, 1980, your Application may be disapproved.

Sincerely,
