RE: Permit No. 85-7459

Dear Rita:

In answer to your letter to us dated Sept. 1, 1988, the well you mentioned was drilled many years ago. This was before we leased it and before the present owners owned the place so we have no idea where the well drillers report is, if there ever was one. We can tell you that the well has a 6 inch casing and is 280 feet deep. We hope this information is enough for you to complete processing of our Proof of Beneficial Use form.

Very Truly Yours,
