RE: CHANGE OF OWNERSHIP

=====

Bonnie Baldwin phoned today to inquire whether there had been a name change on the water right for their property. They purchased the property from Norman Huddleston approximately 2 years ago. She was concerned because she had inadvertently put an envelope in the mailbox that contained paperwork about a name change that had not been addressed and realized that she has had no response to the information that was in the envelope.

Glen Baldwin joined the conversation and said they had spoken with Ken Knoblock some time ago about this and were told to send in \$25 and they did.

I called to talk to Ken Knoblock but he is out today so I spoke with Dianne Ball and she was very helpful in searching the files and database for information. She came up with 2 receipts that I checked out with Nancy Handzel in Fiscal.

Receipt N011769 - Jan.'98 - \$25 - SRBA claim - cust. check #6260

Receipt N010900 - Oct.'97 - \$20 - SCA permit - cust. check #1763

I called Bonnie back and told her what I had learned and that I was sending her a Notice of Change of Water Right Ownership form and a copy of the WR license.

Another call to Dianne Ball @ Northern revealed that she had sent SRBA claim paperwork to the State office in Jan.'98. Conversation with Sally Sherman indicated that there is no physical file for A85-07379 and further that she has no SRBA claim paperwork in the name of Baldwin/Huddleston.

PROOF DUE NOTICE

RE: Permit No. 85-7379

Dear Permit Holder:

One of the conditions of approval of the above referenced water permit was that proof of the extent of your beneficial use must be submitted to this office on or before August 1, 1988. (See last page of your approved permit or your last approved extension request.) Enclosed is a form which when accompanied by the license examination fee or a completed field examination report prepared by a certified water right examiner may be used to submit the required proof.

If you have not fully completed your project, and you or a previous owner of this permit have not received a prior extension of time, you may request an extension of time if the delay is for reasonable cause as provided in Section 42-204, Idaho Code. If you have been prevented from proceeding by a governmental agency or by litigation which might bring title to the water in question, more than one extension of time can be granted. An extension of time request form is enclosed for your convenience.

Either an acceptable proof of beneficial use submittal or an acceptable request for an extension of time must be received by this Department on or before the above described proof due date, or the permit will no longer be of any force nor effect.

Sincerely,

RITA FLECK
Secretary/Records Manager
