Dear Mr. Newman:

Mr. Beard is on vacation, so I shall attempt to answer your questions. I have searched our records and they show that you have two water right permits, one Claim to a Water Right and one Application for Permit.

Permit No. 85-7202 is for groundwater from a 6" x 236' well for domestic use for two homes from May 1 to October 1 and for year-around stockwater for up to 150 head of mixed stock. The application you recently filed appears to be for the same well and is being filed to expand the domestic use to year-around use for two homes and to include six acres of irrigation.

Permit No. 85-7204 is for irrigation of up to ten acres of irrigation from the Clearwater River.

Claim No. 82-4039 is your sworn statement that you have used a well for one home and for 350 head of stock since 1970. This is evidently the file you are missing, so I am enclosing a copy for your records. In your letter, you mentioned Permit No. 85-7203, but that Permit belongs to Mr. John Ahern.

I hope I have answered all your questions and if not, please feel free to contact Mr. Beard of myself at this office.

Sincerely,

TOM D. KING

Enclosed is the application you Board sent me to fill out to go along with the other one.

I didn't finish it as I don't have any idea of how much water a house used on for irrigating, you tested the flow when you were here so will have an idea on that.

Sincerely
Wayne Newman
