Dear Ms. Kirkendall:

Thank you for your letter of December 10, 1982. In regard to your question about the \$20.00 amendment filing fee, I must explain that this is not the same as the \$20.00 filing fee for the permit.

Each permit has a filing fee based upon the cubic feet per second which is going to be diverted. At the time you filed (1979) your permit, the filing fee was \$20.00. Through the years this fee has increased and today it would cost much more to file the exact same permit.

The amendment which we are requesting has a filing fee of \$20.00. This amendment is necessary on all permits for which the legal descriptions are changed and/or are wrong.

I hope this explains the difference in the filing fees. If you have any other questions, please contact me at 334-4123.

Mabel Kirkendall

Dear Ms. Kirkendall:

On September 13, 1982, our office sent you a letter in regards to licensing the above referenced permit. In that letter we explained that your water development was found to be in a different legal description as identified by your permit, and that an amendment was required to correct that legal description before our office could issue a license.

On September 30, 1982, our office received a letter from you, at which time we sent all of the information to our Regional Office in Coeur d'Alene. A representative from that office verified through the Idaho County Assessor's office that your property is in the SE $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Section 18, Twp. 30N, Rge. 4E.

Your permit identifies the NE $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Section 18, Twp. 30N, Rge. 4E (copy enclosed). Therefore, based upon these findings it will be necessary for you to amend your permit before a license can be issued. We are enclosing a partially completed amendment form for your use in this matter.

Please sign the amendment and return it to our office along with a \$20.00 filing fee within thirty (30) days in order that we might issue your license. If you do not concur with these findings, or have any questions, please contact us within the 30 day period.
