Dear Mr Newman,

The water right filing fees changed July 1, 1978. Because of this, I am returning your two Applications for Permit and check #02-314 in the amount of \$20.00. I would have been able to accept the check as filing fee for one permit, but on the check face it states that the payment is for two permits.

Before refiling the applications please check the location of the well and place of use in SEd 5. The map indicates the NE of the SE, but you have stated the NE of the NE.

The fee for filing each of the Applications is now \$20.00 for a total of \$40.00.

The filing fee on the enclosed claim forms is also \$20.00 each.

If we may be of any further assistance, please do not hesitate to contact us.

Sincerely,

TOM KING
Senior Water Resource Agent
