Dear Mr. Barker:

We are returning your check #92-30 in the amount of \$20, your Application for Permit and a new Application for Permit that I have taken the liberty of preparing.

Please check the new Application over carefully to insure that I have correctly interpreted the information you supplied. Be sure to complete Items 8.a.3., 8.a.4., and sign the new Application. *Done*

If you sell five acres of the land irrigated under this system prior to a license being issued, the new owner will not be entitled to any water under your permit, unless you assign a portion of the permit to the new owner. If you sell the five acres after licensing, then the new owner would receive half of the irrigation right, unless you specifically withhold it in the deed.

If you have any questions, please do not hesitate to contact me.
