Dear Mr. Holcomb:

One of the conditions of approval of your water Permit No. 85-7074 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before December 1, 1978. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise, the permit will lapse and be of no further force or effect.

Dear Mr. Hamilton,

You are right in assuming that my well is located at the place of use shown on the application. Also, the land at the point of diversion is owned by me.

I am sorry for causing you this inconvenience in processing my application. Thank you for your help.

Re: Application for Permit

Dear Mr. Holcomb:

We have received your application for permit but need additional information.

Oneline three, you failed to give the point of diversion. I assume the well is located at the place of use which you show as being in the SW $\frac{1}{4}$ SE $\frac{1}{4}$, Sec. 29, T. 30 N, R. 3 E, B.M. If this is correct, we can add it to your application. On page two, line 9.a., you fail to show the name of the owner of the land at your point of diversion. Again, I assume you are the owner, but we need the information on the application.

Also, please find enclosed your receipt no. 12575 in the amount of \$10.00 for the application for permit which was received in this office on October 29, 1973.

Please supply the above information and we can proceed with processing your application.

Sincerely,

ROBERT W. HAMILTON
