Gentlemen:

A representative of this Department has made an examination of the works covered by your Permit No. 85-7006 and has found the following:

Quantity of water diverted: 0.62 cfs

Amount of water that can be recognized as beneficially used under Idaho law: 0.62 cfs

~~The amount of water that can be recognized as beneficially used under Idaho law is 0.62 cfs.~~

Beneficial use: Municipal purposes within the N $\frac{1}{2}$ of Sec. 8,
Twp. 31N, Rge. 1E, B. M.

Point of diversion: NW $\frac{1}{4}$ NE $\frac{1}{4}$, Sec. 8, Twp. 31N, Rge. 1E, B. M.

Priority date established: June 7, 1968

If you do not concur with these findings, please advise us within 10 days; otherwise, a license will be issued as set forth in this letter.

INSTRUCTIONS TO EXAMINERS

1. Always carefully note the location of the point of diversion and accurately plat same.
2. When proof is for beneficial use, carefully check up the number of acres actually irrigated in each forty and accurately plat same.
3. Make a map showing the correct location of streams and ditches, and the irrigated lands, and any adjacent permanent landmarks, such as towns, lakes, large streams and public roads.
4. If any unusual conditions are discovered, make plain statement of them under remarks.
5. Always see the holder, if possible, and go over the whole ground with him and make your report only upon actual existing facts and conditions.
6. Give general characteristics of soils, topography, and crops raised.

Gentlemen:

One of the conditions of the approval of your permit no.
85-7006 was that proof of application of the water
to beneficial use be submitted to this office on or before
November 1, 1969.

Enclosed is an affidavit form which must be used to submit
this proof. You may request an extension of time provided the
delay is for reasonable cause as indicated in Section 42-204,
Idaho Code Amended.

Either the proof or a request for extension of time must
be received by this department on or before the above mentioned
date, otherwise the permit will lapse and be of no further force
or effect.

Re: Application No. 85-7006

The Honorable W. H. Ruhoff, Mayor
of the City of Cottonwood
Cottonwood, Idaho

Dear Mayor Ruhoff:

Thank you for your reply to our June 24, 1968 correspondence; however, we must have the well identified to a 40 acre description. You have listed the 160 acres in which the well is located as being in the NW $\frac{1}{4}$. Would you please break this down further to the particular 40 acre tract of the NW $\frac{1}{4}$.

Your assistance in this matter is appreciated.

Very truly yours,

A handwritten signature in dark ink, reading "Donald W. McEldowney". The signature is fluid and cursive, with the first name "Donald" being particularly prominent.

Donald W. McEldowney

Re: Application for Permit No. 85-7006
City of Cottonwood

The Honorable W. H. Ruhoff, Mayor of
the City of Cottonwood
Cottonwood, Idaho

Dear Mayor Ruhoff:

We received your application to appropriate the public waters of the State of Idaho and the City of Cottonwood's check in the amount of \$25.00. Please be advised that before we can continue processing the application for permit we will require some additional information.

Item 3a of the application requires the point of diversion to be listed by 40 acre subdivisions of U. S. Public Land Survey information. We require the subdivision, section, township, and range. You have supplied the section, township, and range; however, we must know within the 40 acre description as to the wells proposed location.

Please supply this information by return mail. Thank you for your assistance.

Very truly yours,

A handwritten signature in cursive script, reading "Donald W. McEldowney".

Re: Application for Permit
City of Cottonwood

The Honorable Walter Kuhoff, Mayor
of the City of Cottonwood
Cottonwood, Idaho 83522

Dear Mayor Kuhoff:

Thank you for your letter of April 23, 1968. Before the department can accept and process your application for permit, we will require additional information and a filing fee. You will note that we have indicated the areas of the application where additional information is required by marking them with red pencil.

To assist you further in clarifying the information needed, we are enclosing an instruction sheet for your use. The fees required are determined by the quantity of water entered under Item 4a or b of the application. A fee schedule is found on the instruction sheet.

Please contact us if we may be of further assistance.

Very truly yours,

A handwritten signature in dark ink, reading "Donald W. McEldowney".
