Northern Region, Idaho
Department of Water Resources
Route 5 Box 203
Coeur d'Alene, Idaho 83814

Dear Sirs;

In reference to Idaho Code, Title 42, Chapter 2, Sec. 42-242 or 42-243.

I would like to apply for renewal of the water rights for the two adjoining pieces of property, with separate abstracts, one at 602 Lapwai Road, the other at 514 Lapwai Road, directly west, with the following description:

Six acres, bounded on the north by Lapwai Road, the south by White street, the east by the property presently owned by Charles or Careta Aldrich, and the west by the property owned by Stanley or Maxine McMurray. It is also referred to as "Durhams Addition", lots 38, 39, 40, & 41.

Lindsey creek travels directly through the middle of both pieces of property, about 1/2 mile from its mouth in the Clearwater river. The water is used for both livestock water and irrigation. Each piece of property takes a 3 horse pump with four inch intake, due to the steepness of the banks, and the lift to the south end of the property.

I believe the original water rights to this property was granted in or before 1910, possible to a William Peterson, or a Smailes ...first name unknown...

(If it were possible, I would sure love to have a verifax of that.. I have lived here since 1939).

These rights should be registered to:

W. E. or Bettie Dickamore

602 Lapwai Road

Lewiston, Idaho 83501

Thank you for your time and effort.

Sincerely,

Mrs W. E. Bettie Dickamore
