I, Blanche Thiessen, give the following information to substantiate¹ a Claim to a Water Right for MacLeod C. Thiessen.

I recall my parents saying that the spring on the William S. Wynkoop land was used starting in 1880. I was born in 1893. My father, Jasper N. Mounce, purchased the land on which the spring is located in 1904. As a child, I remember it being used for stockwater for livestock. It still is used for that today.

Attention: Mr. Tom King

Dear Mr. King:

Enclosed is an executed Form No. 243, Claim to a Water Right, on property that I own in Nez Perce County, Idaho.

Attached to the Claim from an old abstract is information on the United States Patent in 1879 to William S. Wynkoop, which shows the legal description for the site of the spring. Also attached from an old abstract is a Warranty Deed in 1904 on the sale from Edwin W. and Lulu Wing to Jasper N. Mounce, my maternal grandfather, which shows the legal description for the site of the spring.

Also attached is an information statement about the origin date and continuous use of the water from Jasper N. Mounce's daughter, Blanche M. Thiessen, who is also my mother. The ownership of the spring site has remained within the same blood-related family since 1904.

Enclosed is my personal check for the fee of \$30.00, made payable to the Idaho Department of Water Resources.

Let me know if you have any questions. I want to be sure this Claim is filed before the June 30, 1983 deadline.
