These springs were also used to supply domestic water for a house from 1913-1918. A deed and a background information statement from Blanche Mounce Thiessen is attached. A well or properly lined cistern here would substantially increase the flow

CLAIM TO A WATER RIGHT

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

Notice is hereby given that (1) Frances Herbert Krezak, A Life Estate

A claim is not acceptable on a ground water source with a priority later than March 25, 1963 or on a surface water source with a priority later than May 20, 1971. An exception is that a claim may be filed on single family domestic use from a ground water source.

(2) Describe the source of water: (Name of stream, lake, spring, etc., or ground water)

Unnamed springs (surface water) tributary to Ten Mile Creek & Snake River

(3) Describe the purpose for which the water has been used and the time during the year when you have used the right claimed:

I, Blanche M. Thiessen, give the following information to substantiate a Claim to a Water Right for MacLeod C. Thiessen and Frances Herbert Krezak.

My father, Jasper N. Mounce, in 1886, purchased the land on which the numerous canyon springs are located. They were used to water livestock then and are still used for that purpose.

These springs were also used to supply domestic water to a small house that was occupied by my brother, Owen Mounce, from 1913 to 1918. This house no longer exists.

Attention: Mr. Tom King

Dear Mr. King:

Enclosed is an executed Form No. 243, Claim to a Water Right on property that is owned by Frances Herbert Krezak, a Life Estate and MacLeod C. Thiessen, Remainder in fee simple.

Attached to the Claim from an old abstract is information on a Warranty Deed in 1886 from the sale of Americus V. and Addie Mounce to Jasper N. Mounce, my maternal grandfather, which shows the legal description for the site of the springs. Americus V. Mounce was a brother to Jasper N. Mounce.

Also attached is an information statement about the origin date and continuous use of the water from Jasper N. Mounce's daughter, Blanche M. Thiessen, who also is my mother. The ownership of the spring site has remained within the same blood-related family since 1886.

Enclosed is my personal check made payable to the Idaho Department of Water Resources for the fee of \$30.00.

Let me know if you have any questions. I want to be sure this Claim is filed before the June 30, 1983 deadline.

Sincerely,

MacLeod C. Thiessen
