M.

I, Blanche Thiessen, give the following information to substantiate a Claim to a Water Right for MacLeod C. Thiessen and Frances Herbert Krezak.

My father, Jasper N. Mounce, purchased the land on which the subject spring is located in 1880. A log cabin was built near the spring and used until 1893. I have a picture of the log cabin. I have heard my parents tell of using the spring for domestic water, stockwater and garden. In 1893, the year that I was born, a new house was built nearby. Although the house has been remodelled at various times through the years, it still is in use. Since the log cabin days, the same spring has furnished domestic water, stockwater and irrigation of garden on a continuous basis.

Note of Explanation:

Originally, this was a spring. It was used for stockwater and domestic use for the log cabin. Soon after, the spring was made into a well and the water was winched by a rope and bucket. This is why, instead of filing for surface water, this claim is for groundwater.

Attention: Mr. Tom King

Dear Mr. King:

Enclosed is an executed Form No. 243, Claim to a Water Right, on property that is owned by Frances Herbert Krezak, a Life Estate and MacLeod C. Thiessen, Remainder in fee simple.

Attached to the Claim from an old abstract is information on a Deed in 1880 on the sale from Columbus C. Mounce to Jasper N. Mounce, my maternal grandfather, which shows the legal description for the site of the well.

Also attached is an information statement about the origin date and continuous use of the water from Jasper N. Mounce's daughter, Blanche M. Thiessen, and my mother. The ownership of the well site has remained within the same blood-related family since 1880.

Enclosed is my personal check made payable to the Idaho Department of Water Resources for \$30.00.

Let me know if you have any questions. I want to be sure this claim is filed before the June 30, 1983 deadline.
