Dear Mr. Schmidt:

I am returning your Check No. 92-31 in the amount of \$100.00 and your Claim to a Water Right along with the three claims you requested. I complete for you. Two of the claims are still incomplete since I could not find sufficient information to complete them.

On the claim for the springs, you must complete Item No. 2 by listing the named body of water into which the water from the springs flow. If the water sinks into the ground, then please write "sinks" in the space provided.

On the claim for the stream, please complete Item No. 5b. If you have constructed ponds, please list the sizes of the ponds. If you have made no attempt to control the water and the cattle simply drink from the stream, then you have probably not developed a water right and the filing of this claim would probably be useless.

If you have any questions, please contact me at this office.

Sincerely,

TOM D. KING

Attached please find check in the amount of \$60.00 for Water Right Claim for springs and well.

I did not send in the claim for the creek as you indicated that it would be useless to file a claim if the cattle simply drank from the creek and this is what they do.

Sorry for all the inconvenience I have caused you and I certainly appreciate your help in this matter.

Sincerely yours,

Virgil V. Schmidt
