MEMORANDUM

Date May 10, 2001

To WR File Nos 85-4047, 85-4048, 85-4359, and 85-4477

From. Jeff Peppersack

Re Change in Ownership

I spoke with Mr Gordon regarding the change in ownership notices that were submitted. Mr Gordon indicated that the water rights with place of use in sec 8 and NWNW of Sec 18 (85-4047, 84-4048, 85-4359, and part of 85-4477) were not his and he did not wish to pursue changes to them. He did want to make sure that the stockwater portion of 85-4477 in sec 24 was changed to his name. I explained that 85-4477 would require a split which is \$100 instead of \$25. He can use the \$25 submitted for the other three that will not be changed to make up the balance for the split. Mr Gordon was ok with that.

RE. Change of Ownership for Water Rights 85-04047/85-04048/85-04359/
85-04477

Dear Mr. Gordon

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

✓ **Evidence of Water Right Ownership** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water rights indicated in your notice. I have enclosed a copy of the water rights for your reference. Please note that decreed water right 85-04048 (copy enclosed) is in Section 8. The legal description that was submitted with your ownership change request does **not** list Section 8 in those properties.

The legal description you provided for decreed water right 85-04477 matches only the stockwater portion of Section 24. The domestic portion for this right is in Section 18 and that is not listed on your support documentation (see enclosed copy of decree). If your ownership involves **only** the stockwater portion in Section 24 it will be necessary to split this right and a \$100.00 filing fee is required. If your ownership includes the domestic portion of this right in Section 18 you will need to provide proof of ownership to that effect.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

MICROFILMED

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-327-7941.

Sincerely,

A handwritten signature in black ink, appearing to read "Kari Lynn Townsend". The signature is fluid and cursive, with the first name "Kari" being more prominent.
