Gentlemen:

I am returning your 3 Claims to a Water Right along with your Check No. 92-174 for some corrections.

First, in Item No. 3, the quantity of water should be in the form of a rate of diversion, such as cubic feet per second. Also, the use should be "Municipal" since Craigmont is incorporated and the period of use should indicate when the water is used yearly (generally January 1 to December 31).

In Item No. 5, the point of diversion must be entered by legal description down to a 40-acre tract.

In Item No. 6b, the approximate number of homes and businesses should be entered.

I have included 3 new claims; please complete them with the necessary changes, or correct the original claims and initial the changes.

If you have any questions, please contact this office.

Sincerely,

LAWRENCE D. BEARD
