Dear Sirs:

I do not know exactly how to fill
these papers out. I hope you can
accept them as I've done best I can
without professional help.

I am sending papers to see how I am
located.

I need water for $\frac{1}{2}$ acre of 1 acre
I have used it for approximately 23
years and did know I needed a
permit. Hope I am not in trouble
for that.

I need to use it for our family
garden as our drinking water is
limited to ~~use~~ us. I need to be able
to continue to raise garden,
and now & then need water for
2 head of horses.

Thank You.

Dear Mrs. Redwoman:

We are returning your Check No. 92-327 in the amount of \$45.00 and your Application for Permit. Since you have been using the water for $\frac{1}{2}$ acre of irrigation and two head of stock since 1959, you do not need to file the Application for Permit to preserve this right.

You may, if you wish, file a Claim to a Water Right. It is not necessary that you do so, but the filing does make the right a matter of public record. In the event you decide to file a claim, complete Item Nos. 5a and 6a of the enclosed claim in accordance with the instructions also enclosed, have the claim notarized and return it to this office with a \$30.00 filing fee.

I have filled in the balance of the necessary information based upon your recent correspondence. To insure accuracy, please check the claim carefully prior to returning it to this office.
