Dear Mr. McCollister:

We are returning your Check No. 92-138 in the amount of \$90.00 and your three claims to a Water Right. On the claim to the spring tributary to Tie Creek, you have indicated that the water from that spring is also used in a second 40-acre tract. The problem is in Item No. 6.a., where you show the place of use as the NWSE, but the map shows the SE1/4.

Please clarify this point. Also, if you are referring to a different spring, please list the legal description of that spring in Item No. 5.a. and indicate the springs in Item Nos. 2 and 5.a.

If you have any questions, please contact me at this office.
