RE: Claim No. 85-4143

Dear Claimant:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Yours truly,

Robert G. Haynes, P.E.

Enclosure

May 16, 1980

Mr. F. W. Richardson
Rt. 6
Orofino, Idaho 83544

Dear Mr. Richardson:

In reviewing your four Claims to a Water Right, we noticed that you list your amounts of water in gallons per day. Since our computer will not accept gallons per day, we have taken the liberty of typing up four new claims and converting the quantities you have given into cubic feet per second.

All the information on the claims is the same as on the originals you supplied except for the map on the claim marked with a red "X". The point of diversion and place of use are shown as the SWNW, Sec. 13, T36N R1E, while the map shows them in the SWNE, Sec. 13, T36N, R1E. We changed the map to agree with the legal descriptions.

We are enclosing the four original claims for you to check over with the typed claims. Also enclosed is your Check No. 92-30 in the amount of \$80.00.

If the typed claims are in order, please sign before a notary public and return to us with your check for \$80.00. On July 1, 1980, the filing fee will be increased to \$30.00 per claim, so be sure to return the claims to us before then.

Sincerely,

ROBERT G. HAYNES, P.E.
Regional Supervisor
