Gentlemen:

With respect to water claimed under permit #85-4136, please be advised I have purchased the described property from the Shawley's and this claim should be changed to my name, as I purchased all water and mineral rights with the property.

Additionally, I would like to request a permit for an eight inch withdrawal pumping installation from the Clearwater River at or near the mouth of the creek, name unknown, described in claim #85-4136.

The price of ground dictates we must now make highest and best use of property, which means water.

Very truly yours,

GERALD D. WILSON
