Dear Mr. and Mrs. Baumann:

The Department of Water Resources has completed the processing of your claim to a water right, and no further action is authorized under Section 42-225a and 42-225b, Idaho Code. Your claim will be retained in our files and will be available at any time for use by you or the court.

As you are aware, the filing of a claim does not, in itself, guarantee you a water right; it only records and preserves the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included in your claim file, you may have that information or evidence added at any time. Please refer to your claim number when corresponding with our office.

We are enclosing, for your records, a copy of your claim. If you have any questions, or if we may be of any further assistance, please contact us.

Sincerely,

ROBERT G. HAYNES, P.E.

Gentlemen:

Enclosed is a legal notice which we wish to have published once a week for two consecutive weekly issues of your newspaper. We have inserted the publication dates allowing ample time for you to submit us a galley proof for review before publication.

After sending us a galley proof, proceed with the publication on the dates we have inserted, assuming the notice is correct. If we have any corrections, we will notify you before the first publication. If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to our office along with the publication bill. Your cooperation in this matter is appreciated.

Very truly yours,

Sir,

Attached to this letter you will find the log to the drilling of the well. The drilling was finished April 17, 1968, however before this drilling started a shallow 10 ft. well already existed and was used as far back as 1890 when it was used by the Nez Perce Indians.

Respectively Yours,

Gary L. Baumann
