Dear Mr Bundy,

A claim that is clear and concise would be of the most value to you. Therefore, I am returning your claims to you for clarification. There are some items that I feel are vague or contradictory. I have listed them below. For identification purposes, I have labeled the claims alphabetically in the lower right hand corner.

On claim A, under item 6, you list the place of use as being in the NE $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Sec 8, but on the map you indicate it to be in the NW $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Sec 8.

On claim C, under item 6a, you list the place of use as the NW $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Sec 17, but on the map you indicate it to be in the SW $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Sec 17.

On claim D, the map supplied is very dim. It should be in ink for reproduction. Also the map only indicates the place of use as being the NE $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Sec 8, but under item 6a, you claim the NE $\frac{1}{4}$ NE $\frac{1}{4}$ and the SE $\frac{1}{4}$ NE $\frac{1}{4}$ of Sec 8.

On claim E, you list under item 6a the SE $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Sec 8 as the place of use, but you do not show a place of use on the map.

Please review the claims and clarify them if you wish as I have suggested. Return them to this Office with a \$10.00 fee for each claim.

If we can be of any further assistance, please do not hesitate to contact us.

Dear Mr Bundy,

An Application for Permit must be filed to develop a legal water right on any water diverted from a ground water source after March 25, 1963 (excepting a well drilled for a single household). Any surface water diverted after May 20, 1971, must also be preceded by a permit from our Department. The above includes proposed new systems and enlargements of existing systems for development of larger quantities of water (Section 42-201 through Section 42-229, Idaho Code).

Existing water rights developed through diversion and application of water to a beneficial use prior to the above dates may be recorded by filing a Claim to a Water Right with our Department; however, it is not mandatory to do so (Section 42-225b, Idaho Code).

Please let us know which form you require--the Application for Permit form or the Claim to a Water Right form--and we will forward it to you. Please contact us if there are any further questions.
