Dear Mr. Paris:

We are returning your Claim to a Water Right along with your Echeck No. 92-31 in the amount of \$10 for clarification of the point of diversion.

Under Item 5 you have indicated that the Spring is located in the NW $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Section 34, Township 34 North, Range 3 West, B.M. According to our maps, this land is in a remote area with no roads or houses. Perhaps it should be in Township 35 North. You also indicate under Item 6 that the place of use is located in the same 40-acre tract as the Spring; however, on the map you indicate the place of use as being within the NE $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Section 34.

Please check the legal descriptions making any necessary corrections and return the claim to our office for processing, along with your check for \$10, and we shall begin its processing.

Your assistance in this matter is appreciated.
