Dear Mr. Thompson:

We have typed two forms for your convenience and we are enclosing them for your review and signature. Please note that the "Application for Permit" form has been completed for domestic and irrigation purposes, and the "Claim to a Water Right" form has been completed for stockwatering purposes. Since water has been used for stockwater since 1965, the claim form would be a statement of your existing water right (a water right can be recorded in this manner for surface water diverted prior to May 20, 1971).

We have not listed the County on either form. The legal description you supplied is located in Clearwater County; however, you listed Nez Perce County on the forms you submitted to us. We would appreciate your clarifying this item.

If all items on the forms are in order, please sign the application form at the bottom of Page 3. Your signature must be notarized on the back of the claim form. Each form must be accompanied by a \$10 filing fee (a total filing fee of \$20).

If there are any questions in this matter, please do not hesitate to contact us.

Very truly yours,
