Dear Sir:

In regard to your letter,
Our permit number is 33471. There
is a record there for this permit,
we have all ready paid for the
advertisement for this permit. The
inspector for this community, has
contacted us this spring here at
Kamiah, Idaho, but we didn't have
our jump in the creek as we have
to take it out each fall as the
water gets to high in Sawyer's
Creek. So he told us he would
be back another date and for us
to let him know when it was
in the creek, so he could see it
finished.

A search of our records does not indicate a water permit in your name. If you could give us a lead on the source of water or the place of use we may be able to find a permit for you. We would have to know the permit number or at least be able to look to see if a permit had ever been filed.

At such time as we hear from you we may be able to set up a field examination of your system.

Dear Mr. Robison:

We acknowledge receipt of the depositions and affidavit of publication in the
Idaho County Free Press submitted as proof of completion of works and beneficial use on Permit 33471.

Before a certificate and license of water right can be issued, a field examination must be made by a representative from this department. We cannot tell just when this examination will be made, but our field examiner will try to contact you at the time he makes the examination so that you may show him the system.

Very truly yours,

Dear Mr. Robison:

We have received the depositions and affidavit of publication submitted as proof for the above referenced permit. However, it is noted that the depositions were not taken on the advertised date, January 13, 1968, but on January 12, 1968.

It is necessary that we have a statement from the notary public, Larry L. Blais, stating why the depositions were not taken on January 13, 1968, if his office was open on that date, and whether or not any protests were offered or received. The statement must be notarized by a second notary.

Please submit the affidavit promptly.

Very truly yours,

Dear Mr. Robinson:

This acknowledges receipt of the notice of intent to make proof of completion of works and application of water to beneficial use for permit 33471.

We have mailed the notice to the Idaho County Free Press to be published once a week for four consecutive weeks prior to January 13, 1968, which is the hearing date when the permit holder Mayo Robinson

and two disinterested witnesses must appear before Larry L. Blais, notary public, to complete the enclosed depositions. The witnesses must be familiar with the works and permit.

After the hearing, the depositions and an affidavit of publication must be submitted to this office. The affidavit may be obtained from the newspaper when the advertising bill is paid by Mayo Robinson.

Be sure all the forms have the notary's seal and are signed.

Please feel free to contact us if we may be of any assistance.

Dear Mr. Robison:

Proof of completion of works and application of water to beneficial use for the above referenced permit is due not later than February 23, 1968.

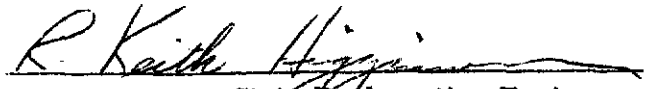

Under the terms of your permit, it is required that a notice be published once a week for four consecutive weeks in a local newspaper showing your intent to submit proof. The proof will consist of depositions which the permit holder and two disinterested witnesses must complete before the listed notary public, and must be accompanied by an affidavit of publication of the legal notice.

We have prepared the enclosed notice from the information on your permit. The complete name and address of a notary public of the State of Idaho must be entered together with a date for you to appear before the notary. Allow at least 40 days from the date the notice is mailed to this department for your appearance before the notary.

If you find any discrepancy in the notice or have made any changes, please advise this department and we will assist you in doing whatever may be necessary to assure correct publication.

If the enclosed notice is correct, complete the blank spaces and sign the form authorizing us to publish the notice at your expense and return all forms. At the time we send the notice to the newspaper, you will be supplied with further instructions.

If you do not desire to complete the proofs and obtain a license of water right, you are requested to complete the relinquishment portion of this form below and return it to the Department of Reclamation.
