Dear Mr. Tappan,

I received my application for water right back and there was a pencil #7 in our Govt Lot #6. That would be incorrect if it was pencilled on Govt Lot 7 instead of Govt lot 6 as that is more than a 1/2 mile East of our water line.

Would you please send me verification as to Application # 40819, Permit # 32658. It should read as follows:

Location of point of diversion: 2665.5 E and 1043N
just distant from the quarter corner of sections 2 & 3,

Dear Mr. Burns:

We received your application for permit without filing fee of \$5.00 which is returned herewith.

The land to be irrigated has been changed to 7 acres as you show irrigating that much at times. Also changed the amount of water to 0.14 cubic feet per second. It is not necessary to divert that much if not desired.

Return the application with the filing fee for processing.
