Am herewith returning the certificate of completion of works, the correction having been made.

Relative to your notice of proof of use of water would say that the description of the land in the permit is as follows: 3.5 acres in the SE¹SE¹ Sec. 32, T. 36 N., R. 5 W., B.M., and 2.5 acres in the NE¹NE¹ Sec. 5, T. 35 N., R. 5 W., B.M. Re Permit No. 14652-Louise Thelen Hirtzler.

Dear Sir:

As you will note, I have gone past the time for proving up on my water right. I have tried repeatedly to get in touch with R. O. Burns, County Surveyor, who has been taking care of this matter for me; but every time I am in town he is out of town. This morning I phoned him at 6:00AM at his residence and found that he was at home; but that he would go right out of town. I talked with him over the phone, however, and he said that I should write you telling you of the circumstances and that in the mean time, when he returns he will set aside a certain time for me on which he and I will fix up the necessary papers for proving up on the water right.

Will you kindly let me know if you will still take care of this permit?
