Dear Ms. Grady:

I have received the map you recently sent to our office and determined the correct legal description for your property and proposed well. These legal descriptions are reflected on the typed application for permit which is enclosed.

Since we have already started the regional processing of your application it would be appreciated if you would sign it where indicated and return it to this office.

Feel free to call or contact our Regional Office should you have any questions.

Respectfully Submitted,

Dear Ms. Grady:

Attached herewith is departmental receipt No. 14915 in the amount of \$20.00. However before we can begin advertising we need to make sure the legal descriptions are correct.

Enclosed is a copy of a topographic map. Please indicate on this map where your property is and where the point of diversion is. I will then transfer the legal description to your application. I have penciled in where I believe it is located.

Sincerely,

Dear Ms. Grady:

Thankyou for the application for permit on the Portneuf River. However, before we can receipt the application there are a couple of items which must be clarified.

1. Point of diversion - appears to be SW $\frac{1}{4}$ SE $\frac{1}{4}$, Sec. 6, T. 7S, R. 35E.
2. Place of use - appears to be NE $\frac{1}{4}$ NE $\frac{1}{4}$, NW $\frac{1}{4}$ NE $\frac{1}{4}$, Sec. 7, and the SW $\frac{1}{4}$ SE $\frac{1}{4}$, Sec. 6, T. 7S, R. 35E.

If my assumptions are correct please put the legal description in the appropriate questions.

If you have any further questions, please feel free to contact me.

Sincerely,

John Carlson

Dear Mr. Carlson,

I made the corrections you suggested. I hope they are in the right spots.

I could not find another legal description for the third parcel of land at the assessors office. I called the phone it with the other two. You suggested ^{over} that this would be sufficient. If there are other correctrions I need to make please let me know. Thanks alot for your help. Sincerely, *G. Grady*
