Dear Mr. Hancock:

We have been apprised of your application to appropriate the public waters of the State of Idaho to provide domestic water service for the L.D.S. Church, 33rd Ward, Chubbuck.

The frequency of use and the population served have public health significance and, therefore, the system is determined to be a non-community public water system. Compliance with the Idaho Regulations for Public Drinking Water Systems is required. The regulations set forth minimum requirements for engineering construction, water quality, monitoring, and maintenance and operation. A copy of these regulations is enclosed for your information.

If you have any questions regarding our requirements, please do not hesitate to contact our office.

Yours very truly,
