MEMO TO FILE

RE: WITHDRAWAL OF PROTEST ON APPLICATION 29-7455

On August 16, 1978, Mrs. Bills contacted this office by phone concerning her husband's original intent to protest Application for Permit No. 29-7455.

We discussed Mr. Bollinger's proposal and she decided it would not interfere with their spring since the proposed well will be over a half mile away. Because of this, Mrs. Bills stated they no longer wished to protest the Bollinger application and for the Department to proceed with its processings.

RE: Application for Permit No. 29-7455 BOLLINGER

Mr. Gregory Bills
Inkom,
Idaho 83245

Dear Mr. Bills:

Based on a telephone conversation you had with Bill Rhoads, of our office, on July 31, 1978, the Department recognizes your intent to protest application for permit No. 29-7455.

On August 1, 1978, we received a telegram from you. However, Section 42-203, Idaho Code, stipulates a protest shall state the name and address of the protestant and shall be signed by him or his agent or attorney. We, therefore, can not consider your telegram to be a formal protest against the application.

We will allow ten days from the date of this letter for you to submit a written protest in proper form. Should you have any questions concerning this matter, please feel free to contact this office.

Very truly yours,
